

FIELD SHEET · PRINT IT · MARK IT UP · CRUNCH IT LATER

Make vs buy hay

Print this. Take it to the field. Write on it. Scan the QR (or type the URL) and punch the calculator when you're back at the truck.

Calculator: <https://stanleyfarmandranch.com/resources/haymake/>

What	Write it
Date / field	
Acres	
Yield (ton/acre) guess or last cut	
Buy hay \$/ton delivered	
Custom hire \$/acre (if you hire it)	
If you do it: fuel \$	
Twine / wrap \$	
Hours / your time \$/hr	
Other \$	

Notes:
