

FIELD SHEET · PRINT IT · MARK IT UP · CRUNCH IT LATER

Round bale measure

Print this. Take it to the field. Write on it. Scan the QR (or type the URL) and punch the calculator when you're back at the truck.

Calculator: <https://stanleyfarmandranch.com/resources/bale/>

What	Write it
Date / stack	
Hay type (dry grass / mixed / straw / wet)	
Density guess if you have one	

#	Diameter (ft)	Width (ft)	Notes (squashed, wet, weighed)
