

FIELD SHEET · PRINT IT · MARK IT UP · CRUNCH IT LATER

Pasture clip sheet

Print this. Take it to the field. Write on it. Scan the QR (or type the URL) and punch the calculator when you're back at the truck.

Calculator: <https://stanleyfarmandranch.com/resources/stocking/>

What	Write it
Date / pasture name	
Acres (grazable)	
Ungrazable % (woods, water, crap)	
Forage guess (lb or tons DM / acre)	
How you guessed (clip, eyeball, neighbor)	
Harvest efficiency (25 / 40 / 50 / already available)	
Days you want them on it	
Class (pair wt, dry, yearling, mixed)	
Head already on it	
Bulls / yearlings / horses / donkeys	

Notes:
