FIELD SHEET · PRINT IT · MARK IT UP · CRUNCH IT LATER

Water and tank notes

Print this. Take it to the field. Write on it. Scan the QR (or type the URL) and punch the calculator when you're back at the truck.

Calculator: https://stanleyfarmandranch.com/resources/water/

What	Write it
Date / pasture	
Class (lactating, dry, grow, horse, donkey…)	
Head	
Air temp (°F) that afternoon	
Tank gallons if you know it	
Days of storage you want	
Is the tank full, half, nasty
